

CLUB CHAMPIONSHIP 29th AUG 2010

Due to the track being double booked we are having to move the above competition to the new date of **Friday 3rd September** from 4.30pm till 7.00pm.

We realise that for some of you this might cause one of two problems.

One being available for the original date but not this one in which case please notify us and your payment will be returned .

Two that your child is now available for the new date and would like to take part in which case we will accept new entries with a closing date of 15th July. This does not mean that anyone can change events if you have already entered and can still make the new date your events stay the same ,

Anyone needing new forms please see Jan or download off the website, any queries as usual to Bob on 07781146803,

Thankyou and sorry for any inconvenience .
